	Cigar jack charger	Yes		
	Power adapter included	No ⁵	Yes	

1. SMH10 firmware 4.0 to be released at the end of February, 2012.

2. Phone and GPS or SR10

3. Mobile phone + GPS (or SR10) - a parallel HFP connection is supported. Both HFP audio is mixed accordingly, i.e. GPS instruction is coming while you are talking with your friend by phone. SR10 may be in place of GPS accordingly if it is configured as such.

4. Phone conference concept: Person A calls Rider A on his/her mobile phone. Rider B can participate in phone-call.

5. Any USB power charger in the market (iPhone, other mobile phones etc) may be used. Or the Sena power charger (available as accessory/spare-part).
